

# PAINTERS SUPPLY & EQUIPMENT CO.

**It's in the Air**  
Unique "no kick" co-axial air valve makes blends and fades easier

**Ultimate Control**  
Fan and fluid controls designed for smooth operation

**Trigger Happy**  
Engineered for ultimate comfort, the trigger profile offers an easy wrap around finger grip when triggered or at rest

**Ergonomically Designed**  
Lightweight aluminum gun body provides curved handle resulting in unmatched comfort for increased performance and reduced painter fatigue

### QuickClean Technology

- Incredibly fast cleanup - gun coating has non-stick properties
- Fully coated outside and inside for high corrosion and scratch resistance
- Excellent for solvent-based coatings and a must for waterborne

### Ergonomic & Lightweight Design

- Compact, form-fitting design reduce painter fatigue
- Well-balanced and lightweight for increased comfort and performance
- Smooth trigger action - Comfortable trigger and unique "no kick" co-axial air valve make blends and fades easier

### All-Climate Performance

- Optimized performance in climates varying from hot and humid to cold and dry
- Three air caps developed using advanced fluid dynamics technology for excellent atomization in varying conditions
- Outstanding finishes - from waterborne base coats to the latest high solids clears

Fastest Cleaning Spray Gun...  
Only from DeVilbiss

Fully Coated, Inside and Out

**QUICKCLEAN.**
