FAST TRACK

Paint Gun Washer

For Waterborne or Solvent Paints

Load with **Sparkle Clean BLAST** for a quick spray gun cleaning anywhere in your shop

- Cleans both waterborne or solvent paint off of guns
- Cost effective—The FastTrack is very inexpensive
- Virtually no maintenance since there is no pump
- Compact—only 10 inches wide!
- Can be mounted anywhere in the shop—even prep stations or spray booths
- Economical—reduces solvent use and saves time
- Allows for extremely fast color changes
- Works great with disposable cup systems
- Can easily fit into a mobile work station
- 1 gallon container included to catch waste
- Optional 5 gallon container available
- Made in USA

Sparkle Clean BLAST
